

## WHICH GIRL SCOUT BADGE DO YOU WANT TO EARN AT CAMP? - 2011

Every summer at day camp we offer badge workshops (for campers entering grades 4 and 5) in addition to our regular camp program. Return the form below to let us know your preferred choices. We hope that your camper enjoys this summer's offerings!

Art in 3D	Three-dimensional art includes sculpture, mosaics, murals, origami, and pottery. In this badge, learn to translate your designs into 3-D art.
Drawing & Painting	Capture your creativity using paint, a pencil, and a pen.
Folk Arts	Folk arts are the arts of everyday people, like you and your friends or family. They include dance, song, stories, and crafts that reflect the history and tastes of a particular group of people. Add color to your life with folk arts.
Jeweler	Make and design your own necklaces, pins, bracelets, or other ornaments.
Outdoor Cook	Some of the best camping memories are made sitting around a campfire – or camp stove – eating the meal you've prepared outdoors. Come and learn some tried and true Girl Scout cooking secrets.
Outdoor Creativity	Poets, writers, artists, and musicians have been inspired by nature to create some of their most famous works. Let nature inspire you while completing this badge!
Prints & Graphics	You can make a print or design out of almost anything you see. Use them to decorate paper, fabric clothing – even web pages!
Sew Simple	Improve your wardrobe. Redecorate your room. Make a gift for the holidays. How? By sewing! You can make things for yourself or others when you learn to sew by hand. It's Sew Simple.
Yarn & Fabric Arts	Macramé, crocheting, knitting, weaving, embroidery, and batik and fabric dyeing are some ways to use textiles, fibers, and yarns in artistic and practical ways. Have fun and improve your home, your clothes – even your mood.
